FÖRDJUPNING I ÄMNET

01

NOVEMBER

Pappa kommer ofta, för att prata och ventilerat. Idag sprang han nästan till graven, pappa skall först få veta, han och hans fru väntar barn.

DECEMBER

Det är julaften, släkten möts vid graven. Skrott och minnen utbyts, precis som mormor hade velat möta oss.

FEBRUARI

Grete tar cykeln och besöker de platser som var "deras" en sista gång. När tjälen släpper ska urna gravsättas. Men gravlunden har hon inget förhållande till och besöker den sällan.

SEPTEMBER

Julia har ingen att besöka, men hon kommer då och då. Här finns ett lugn som hon saknar inne i byn. Här står tiden nästan still och de finns rum för att tänka.

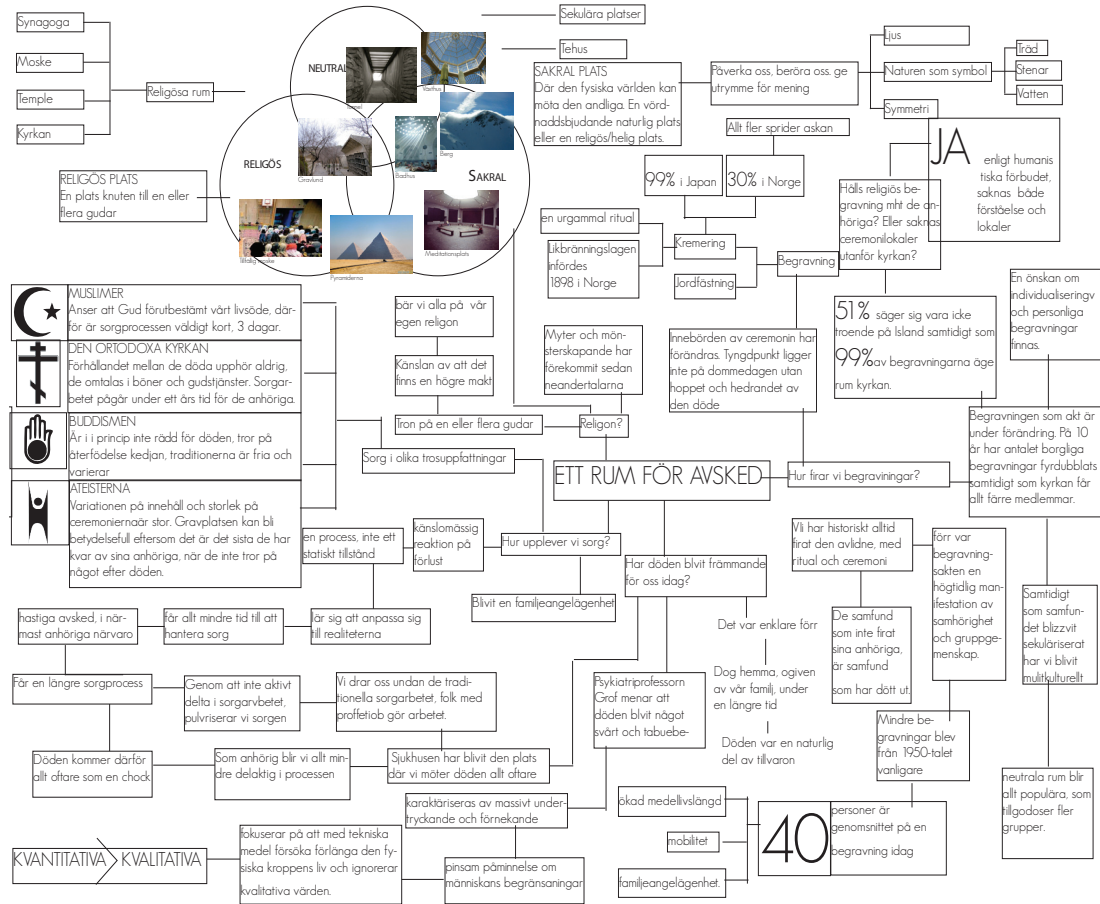

JUNI

Paul var sist kvar i byn, han valde att sprida sig eska. Han ville finnas kvar i barnbarnens historier och inte själv ligga kvar på gravlunden.
