Ring 2

A balcony on the upper floor of the yellow building, featuring a dark brown metal railing and a wooden deck.

A ground-level deck on the yellow building, enclosed by a black metal railing. It contains a red and white checkered chair and is decorated with string lights.

A dark brown wooden gate with a vertical plank in the center, set under a simple wooden roof structure.

A silver metal spiral staircase attached to the side of the yellow building, providing access to upper floors.

A light-colored wooden picket fence running along the back of the courtyard.

Four small, empty pots of various colors (black, brown, blue, tan) lined up on the ground near the base of the yellow building.

A white outdoor air conditioning unit mounted on the wall of the white building.
