Dear Ms. Shohreh Monshizadeh,

On behalf of the Organization and the Program Committees, it gives us great pleasure to invite you to participate in the 2020 IFAC World Congress, which will be held at the Estrel Hotel in Berlin, Germany, 12-17 July 2020.

With several thousand attendees from all over the world, the IFAC World Congress is the biggest and most important meeting of this kind and the Berlin Congress marks the 21st edition of this series.

Your contribution submitted to the 2020 IFAC World Congress has been accepted for presentation at the conference. As indicated in the notification letter sent to you about your paper's acceptance, at least one author of your paper is expected to attend the conference to present your paper. We hope that you will participate in this scientific meeting and help to make it a memorable event.

Acceptance of your paper for presentation does not, in any way, financially oblige either IFAC 2020 nor IFAC for the expenses incurred by you to travel and attend the conference. If you have any questions, please contact us.

Thank you in advance for your participation. We look forward to seeing you in Berlin.

Sincerely,

Klaus Janschek, Sandra Hirche, Rolf Findeisen  
General Chair and IPC Chairs IFAC World Congress 2020

*Accepted Paper details:*

*Shohreh Monshizadeh, Kjetil Uhlen, Gunne J. Hegglid, "Transmission Loss Minimization Using Artificial Intelligent Algorithm for Nordic44 Network Model Based on Hourly Load Variation."*
