

Sprint 7

- Frontend:
 - .Fikset strukturen til framsiden (Your projects i wireframe)
 - Selve strukturen ser ut som den du finner under i wireframen.
 - Jobbet med styling gjennom nettstedet.
 - Begynt på funksjonalitet til framsiden.
 - Vil gjerne ha feedback på utseende, struktur og funksjonalitet!
- Vi har laget nye UI diagrammer
 - Admin New User
 - Admin Edit User
 - Admin Delete User
 - Admin Delete Tags
- Vi har laget laget ferdig tag api-requestene
 - deleteTag
 - removeTag
 - addTag
- Vi har laget en ny tabell for alle api-requester
- Vi har fortsatt å implementert nye api requests
 - removeProject
 - grantSpecialPermission
- Vi har lagt inn sjekk av tillatelser for api requests
- Vi har lagt inn flere Http status codes
- Vi har forbedret håndtering av exceptions
