

NTNU	Hazardous activity identification process				Prepared by	Number	Date
					HSE section	HMSRV2601	22.03.2011
HSE					Approved by	Page	Replaces
					The Rector		01.12.2006
							

Unit: (Institute)

IMA

Date:

24.06.2021

Line manager:

Einar Hjorthol

Participants in the identification process (incl. function):
(supervisor, student, co-supervisor, others)

Ivar Loland Råheim, Sverre Magnus Selbach, Benjamin Williamson

Short description of the main activity/main process:

DFT calculations

Is the project work purely theoretical? (YES/NO)

YES

Answer "YES" implies that supervisor is assured that no activities requiring risk assessment are involved in the work. If YES, skip rest of the form.

Will you receive industry samples? (YES/NO)

NO

"YES" means that a separate risk assessment of the samples is required

Is the project work safe to perform outside normal work hours (8-17)? (YES/NO) YES

Responsible supervisor:

Sverre M. Selbach

Student:

Ivar Loland Råheim
