

Appendiks I – Kategorisering av terrorgrupper med referanse

Dette vedlegget består av en oversikt over alle terrorgrupper inkludert i GTD, med en kategorisering for henholdsvis høyreekstreme (right) -, venstreekstreme (left) -, islamistiske (islam) -, eller andre (other) ideologier. I tillegg kodes terrorgrupper som ukjent/uklar (unclear) dersom ideologiene bak terrorgruppene er ukjente, eller det ikke fantes gode referanser på gruppene.

Merknader:

Dersom noen oppslagsverk har definert "National Liberation front of *country*" som nationalistisk/other, fyller jeg også ut andre land som ikke er definert i oppslagsverket. Det samme gjelder dersom deler av en militær organisasjon er nevnt i oppslagsverket. Eks «Niger Delta etc..», markerer alle Niger Delta underorganisasjonene under samme.
