

Appendix 8 - Confidential Information

Main Particulars

Main dimensions	
Length overall (pontoons)	96.25 meters
Breadth moulded (pontoons)	70.0 meters
Main deck length	60.0 meters
Main deck width	60.0 meters
Displacements	
Survival	26,600 tonnes
Operating	30,800 tonnes
Transit	20,000 tonnes
Operating capacities	
Water depth	100 meters – 500 meters
Drilling depth	8,000 meters
Variable drilling load operating	2,500 tonnes
Variable drilling load transit	1,200 tonnes
Design temperatures	Air -20 deg C / +25 deg C
	Water 0 deg C / +15 deg C
