

## STATENS VEGVESEN

Oppriss M = 1:200

Technical drawing of a bridge structure. The drawing shows a cross-section of a bridge with a 76% slope indicated by an arrow and the text "76 %". A dimension line below the bridge indicates a length of 9.00 meters. The bridge structure is shown with a solid top surface and a dashed line below it, possibly representing a different material or a hidden part of the structure. The bridge is supported by a vertical pier or abutment on the right side.

Grunnriss M = 1:200
