

RobotRepository::addRobot

```
graph LR; chirpFactory[chirpFactory] --> addRobot[RobotRepository::addRobot];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'RobotRepository::addRobot'. The box on the right is white and contains the text 'chirpFactory'. A dark blue arrow points from the right side of the 'chirpFactory' box to the right side of the 'RobotRepository::addRobot' box.
