How can you transform yourself from a good manager into an extraordinary leader? We've combed through hundreds of Harvard Business Review articles on leadership and selected the most important ones to help you maximize your own and your organization's...

[Buy PDF \\$24.95](#)**HBR ARTICLES****Leadership That Gets Results**

Daniel Goleman

A leader's singular job is to get results. But even with all the leadership training programs and "expert" advice available, effective leadership still eludes many people and organizations. One reason, says Daniel Goleman, is that such experts offer ...
