

Logg av issues i GitHub

Dette vedlegget inneholder en logg av av alle issues og pull requests i GitHub. Nedenfor er liste med lenker til våre GitHub sider som bruker planleggingsverktøy. Prosjektrapport er privat og vi har dermed ingen lenke til denne.

FastAPI <https://github.com/pckv/repost-fastapi>
Spring Boot <https://github.com/EspenK/repost-spring>
ASP.NET <https://github.com/pckv/repost-aspnet>
Front-end <https://github.com/jonsondrem/repost-frontend>

Hvordan lese dette vedlegget

Issues og pull requests er sortert i rekkefølgen de sist ble oppdatert.

Dette ikonet beskriver en issue. Dato issueen ble lukket er beskrevet til høyre for ikonet på måten vist nedenfor.

#46 by EspenK was closed on Feb 11

Dette ikonet beskriver en pull request. Dato pull requesten ble merget er beskrevet til høyre for ikonet på måten vist nedenfor.

#73 by pckv was merged 27 days ago

updated Apr 24

Dette ikonet viser dato en issue eller en pull request sist var oppdatert.

Ikonet blir vist når en issue eller pull request er utført av Per Christian.

Ikonet blir vist når en issue eller pull request er utført av Espen.

Ikonet blir vist når en issue eller pull request er utført av Jon.

Ikonet blir vist når en issue eller pull request er utført av flere personer. I tilfellet vist her er den utført av Per Christian og Espen, som vi kan se basert på hvordan de to ikonene er sammenslått.

MERK: Ikonene for person som utførte en issue eller pull request representerer ikke nødvendigvis reell arbeidsmengde. Noen oppgaver har også blitt utført i samarbeid uten at det har blitt markert i GitHub.

Prosjektrapporten

FastAPI

<input type="checkbox"/>	 Setup docker with PostgreSQL database enhancement wontfix #25 by pckv was closed May 19  updated May 19		
<input type="checkbox"/>	 Sort all resources by newest first enhancement #76 by pckv was merged May 12 • Approved  updated May 12		
<input type="checkbox"/>	 Add paging with page and page_size query parameters enhancement #75 by pckv was merged Apr 29 • Approved  updated Apr 29		 1
<input type="checkbox"/>	 Add support for paging in lists enhancement #74 by pckv was closed Apr 29  updated Apr 29		 1
<input type="checkbox"/>	 Discuss if we should use user ID instead of user object when returning author/owner question #34 by EspenK was closed Feb 10  updated Apr 24		 1
<input type="checkbox"/>	 Create users endpoint (basic) documentation enhancement #1 by pckv was closed Feb 4  updated Apr 24		 1
<input type="checkbox"/>	 Create authorization endpoint (basic) documentation enhancement #5 by pckv was closed Feb 4  updated Apr 24		 1
<input type="checkbox"/>	 Create dependency for get user by username path operation `/users/{username}` enhancement #6 by pckv was closed Feb 4  updated Apr 24		 1
<input type="checkbox"/>	 Comment need to know both the parent post and the resub so we can navigate to the post where the comment was made #15 by pckv was closed Feb 5  updated Apr 24		 1
<input type="checkbox"/>	 Update docstrings to match a public documentation in schemas documentation #7 by pckv was closed Feb 5  updated Apr 24		 1
<input type="checkbox"/>	 Implement JSON web token generation and validation enhancement #17 by pckv was closed Feb 6  updated Apr 24		 1
<input type="checkbox"/>	 Implement all comments endpoints using CRUD enhancement #30 by pckv was closed Feb 11  updated Apr 24  0 of 5		 1
<input type="checkbox"/>	 Change 403 FORBIDDEN to 401 UNAUTHORIZED where it applies to authorization. bug #38 by pckv was closed Feb 11  updated Apr 24		 1
<input type="checkbox"/>	 Document all possible errors for authorized endpoints. These can have both 400 BAD REQUEST (failed to parse JWT) or 403 FORBIDDEN (unauthorized; this should be changed to 401 as per #38) #47 by EspenK was closed Feb 11  updated Apr 24		 1
<input type="checkbox"/>	 Implement endpoints to get resubs, posts and comments by user enhancement #45 by EspenK was closed Feb 11  updated Apr 24		 1
<input type="checkbox"/>	 Implement crud to get resubs, posts and comments by user database #46 by EspenK was closed Feb 11  updated Apr 24		 1
<input type="checkbox"/>	 Invalid token due to deleted user should respond with 401 Unauthorized #58 by pckv was closed Mar 6  updated Apr 24		 1
<input type="checkbox"/>	 Avoid using external dependencies #60 by pckv was closed Mar 9  updated Apr 24		 1
<input type="checkbox"/>	 Add origin to config enhancement #73 by pckv was merged Apr 22 • Approved  updated Apr 22		
<input type="checkbox"/>	 Initialize config in its own instance bug #72 by pckv was merged Apr 22 • Approved  updated Apr 22		
<input type="checkbox"/>	 Implement OAuth2 client_id and scope validation enhancement #71 by pckv was merged Apr 20 • Approved  updated Apr 20		
<input type="checkbox"/>	 Fix edit resub docstring mentions deleting a resub documentation #70 by pckv was merged Apr 18 • Approved  updated Apr 18		
<input type="checkbox"/>	 Update requirements and change delete to 204 No Content enhancement #68 by pckv was merged Mar 29 • Approved  updated Mar 29		
<input type="checkbox"/>	 Changed port for CORS bug #69 by jonsondrem was merged Mar 29 • Approved  updated Mar 29		 2
<input type="checkbox"/>	 Change content type for patch endpoints to application/patch+json to comply with Spring implementation bug #67 by EspenK was closed Mar 22  updated Mar 22		 1

<input type="checkbox"/>	 Change auth responses to follow Spring Boot implementation bug #66 by pckv was merged Mar 22 • Approved  updated Mar 22		 1
<input type="checkbox"/>	 Update authentication response status messages to fit Spring Boot implementation bug #65 by pckv was closed Mar 22  updated Mar 22		 1
<input type="checkbox"/>	 Remove all references to starlette and include pydantic in requirements.txt enhancement #63 by pckv was merged Mar 9 • Approved  updated Mar 9		 1
<input type="checkbox"/>	 Fix deleting comments and update requirements #57 by pckv was merged Feb 20 • Approved  updated Mar 9		 1
<input type="checkbox"/>	 Change routes to only use the required resource enhancement #64 by pckv was merged Mar 9 • Approved  updated Mar 9		 2
<input type="checkbox"/>	 Update vote path and cascade delete votes bug #62 by pckv was merged Mar 9 • Approved  updated Mar 9		
<input type="checkbox"/>	 Implement votes in database and endpoints for posts and comments database enhancement #24 by pckv was closed Mar 7  updated Mar 7		 1
<input type="checkbox"/>	 Implement voting for posts and comments enhancement #61 by pckv was merged Mar 7 • Approved  updated Mar 7		 1
<input type="checkbox"/>	 Always respond with 401 when a token is invalid bug #59 by pckv was merged Mar 6 • Approved  updated Mar 6		 1
<input type="checkbox"/>	 Fix possibility to set "optional but can't be null" fields in edit endpoints bug #56 by pckv was merged Feb 19 • Approved  updated Feb 19		
<input type="checkbox"/>	 Create a custom endpoint for replies that stays consistent with the API bug enhancement #53 by pckv was merged Feb 19 • Approved  updated Feb 19		
<input type="checkbox"/>	 Communication allowance with front-end enhancement #55 by jonsondrem was merged Feb 18 • Approved  updated Feb 18		 1
<input type="checkbox"/>	 Allow CORS with localhost enhancement #54 by jonsondrem was closed Feb 18  updated Feb 18		 1
<input type="checkbox"/>	 Change all create endpoints to use HTTP status code `201 Created` bug documentation #52 by pckv was merged Feb 12 • Approved  updated Feb 12		
<input type="checkbox"/>	 Change schema to use name and models to use id database #36 by EspenK was merged Feb 9 • Approved  updated Feb 11		 9
<input type="checkbox"/>	 Add correct responses to all endpoints bug documentation #48 by EspenK was merged Feb 11 • Approved  updated Feb 11		 2  2
<input type="checkbox"/>	 Check that created user and resub don't exist bug #50 by pckv was merged Feb 11 • Approved  updated Feb 11		 1  1
<input type="checkbox"/>	 Check that entities don't exist when creating new ones (e.g user with the given username doesn't exist -> 400 Bad Request) bug #49 by pckv was closed Feb 11  updated Feb 11		 1
<input type="checkbox"/>	 Implement crud and endpoint to get resubs, posts and comments by user database enhancement #51 by EspenK was merged Feb 11 • Approved  updated Feb 11		 2
