

# **Bachelor's Thesis 086**

Sindre Haugland Paulshus

## **Week Report #15**

Week of the year: 17

Date written: 12.05.2020

Done this week:

Researched relevant theory and gathered sources.

Finished the System Documentation.

Finished the introduction.

Started the theory, wrote about Bresenham, DDA, Spatial Indexing and Burst.

Project Status:

Results: Good

Calendar time: Good

Work time: Good

Problems:

Was not able to generate API.

Solutions:

Made the API by hand.

Tasks next week:

Finish the theory section of the main report.
