

Bachelor's Thesis 086

Sindre Haugland Paulshus

Week Report #11

Week of the year: 13

Date written: 14.04.2020

Done this week:

Researched ECS and Unity Jobs.

Tested Unity Jobs successfully.

Minor optimizations.

Project Status:

Results: OK

Calendar time: OK

Work time: Good

Problems:

Failed to import ECS.

Solutions:

Test ECS in separate test environment.

Tasks next week:

Will test ECS.

Will optimize other parts of the code.
