Figur 3 Skisse av spillvannstrasé

The topographic map shows a road network with several key points labeled. A blue line represents a road, with a point labeled 'HB' at the top left. A blue arrow points from 'HB' to a point labeled 'Til påkobling'. A red line represents a road, with a point labeled 'BH1' at the bottom center. A green line represents a road, with a point labeled 'FK1' at the bottom right. A blue line represents a road, with a point labeled 'K1' at the bottom right. A green line represents a road, with a point labeled 'FK2' at the bottom right. The map also shows contour lines, a river, and several buildings.
